"Being the Gospel to all People"

A very warm welcome is extended
to all visitors to St Johns.

Morning tea is offered after the service today, so please stay and enjoy some time with us.

Today's theme: "Life-Giving Wind"

Focus Scripture John 3:1-17

Other Readings: Genesis 12:1-4

The readings this week raise the question of where we put our trust. Do we, like Nicodemus, rely on our position and place in the community or will we allow ourselves to be led into unknown territory, like Abraham? Should we depend for our security on obedience to the law, or place our trust in God who watches over us continuously and sent His Son to save us?

John 3:1-17 (NIV) Jesus & Nicodemus, Now there was a man of the Pharisees named Nicodemus, a member of the Jewish ruling council. He came to Jesus at night and said, "Rabbi, we know you are a teacher who has come from God. For no one could perform the miraculous signs you are doing if God were not with him." In reply Jesus declared, "I tell you the truth, no one can see the kingdom of God unless he is born again." "How can a man be born when he is old?" Nicodemus asked. "Surely he cannot enter a second time into his mother's womb to be born!" Jesus answered, "I tell you the truth, no one can enter the kingdom of God unless he is born of water and the Spirit. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at my saying, 'You must be born again.' The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit." "How can this be?" Nicodemus asked. "You are Israel's teacher," said Jesus, "and do you not understand these things? No one has ever gone into heaven except the one who came from heaven-the Son of Man. Just as Moses lifted up the snake in the desert, so the Son of Man must be lifted up, that everyone who believes in him may have eternal life. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.

Preparing Ourselves for Easter

1 Worship Services: This year we will be incorporating into our Sunday worship services during Lent and at Easter, a liturgy designed to help prepare ourselves for this key time of the Christian year. In this we enter the season of Lent with lighted Lenten candles. Each week we will extinguish one candle and so our light will slowly fade into darkness as did Jesus' life. On Good Friday the Christ candle will be extinguished as we recall Jesus death and suffering, to be relit on Easter Sunday as we celebrate the risen Christ and the transforming power of God.

Each week the liturgy will offer a short time for personal reflection, followed by the extinguishing of a candle before we pray together. The Christian Education Team prays that this will be a time of blessing and spiritual renewal for you.

2 Lenten Worship Focus: At the front of the worship room for Lent is a display that will be added to each week. It began with an attempting to remind us of a beach, sand, shells, drift-wood leading our eye to the deeper blue of the horizon. As Island people we do not live in deserts, in wilderness's that for instance enable us to quickly identify with Jesus desert wilderness experience or the more traditional Church Lenten language. We do have the wild expanse of the ocean, the freedom of the beach, the wave and wind scatterings along the shore.... The prayerful hope is that we walk towards Easter mindful of the call of these six weeks to deliberately examine our inner self the image of the wilderness of our sea will provide a place for spiritual engagement between God and self. A kite is added this week as it is a creation for the wind....

3 Lenten Studies: There will not be any group studies this year but Lenten studies booklets are available for those who wish to use them for their own personal or family devotions. Each study has bible readings and a comment from a different Presbyterian minister. They also each have a story from the work of Presbyterian-Support. They depict the many ways this organisation is of service in all parts of New Zealand.
